Silverstone Way

Silverstone Way, developed in 2007, was one of the very first modern office blocks to be built in Ballito. With basement parking, ground floor retail showrooms and two floors of offices, Silverstone Way changed the landscape of the Ballito Business Park. Situated directly behind the Lifestyle Shopping Centre, Silverstone Way enjoys eastern sea views over Zimbali and Seaward Estates as well as inland views to the west. Easy to access from both the M4 and the N2. Body Corporate managed by ComProp. Units available to rent and to purchase.
